SIGN UP

This is a smartphone mockup of the 'Sign Up' page with sample data entered. The status bar shows the time 9:44, LTE signal, and battery level. The input fields are filled with: Password (masked), Retype Password (masked), Address Line 1 (3125 Clairview Avenue), Address Line 2 (empty), City (Alpharetta), State (Georgia), Zip Code (30009), and Phone (2340392332). A 'SIGN UP' button is at the bottom right. The bottom navigation bar shows standard Android icons.

Use email and password to login to the app.

The image shows a mobile application interface for login. At the top, there is a status bar with the time 9:45, a settings icon, a battery icon, and signal strength indicators. Below the status bar is a white header area containing a geometric logo (a hexagon with internal lines) and the word "Westless" in a cursive font. The main content area is white and contains two input fields: "Email" with the value "sidvijay2004@gmail.com" and "Password" with masked characters ".....". Below the input fields is a dark blue "LOGIN" button. At the bottom, there are two links: "Not a member yet? Sign up" and "Forgot Password? Reset here". The bottom of the screen shows a black navigation bar with standard Android navigation icons (back, home, recent apps).

After logging into the app, you are shown a list of all the donations that have been entered into the app by other donors. You have the choice of picking up these donations by clicking the pickup button.

Donors Perspective

From the donor's perspective, they will be able to see other people's donations and decide if they would like to pick these donations up. When the donor goes to see the list of donations they have made, they will see the status change from available to the name of the volunteer to symbolize that a volunteer signed up to pick their donation. In fact, once one of the donor's donations has been selected by another user, the donor and volunteer will receive an email with the other person's credentials so that they can contact each other and handle the donation.

Once a user makes a donation, they have the option of deleting the donation entirely from the app and canceling the donation, in which the donation will be removed from the person who previously chose to pick it up and returned to the pickup list (this feature can be used if a volunteer does not show up or respond when they commit to picking up a donation). Also, if the donation has been successfully picked up by a volunteer, the donor can click on the "done" button and the donation will show a "completed" status (screenshots on the next slide). Both the cancel and delete buttons will automatically send an email to the volunteer if there is one to notify them of the status of the donation.

Wasteless- Your Donation Status: Chicken Wraps

To: Siddharth Vijay

Hello,

There is a volunteer who has signed up to pick your donation!

The volunteer's name is vijay.

Their email is vijayjayaram@gmail.com.

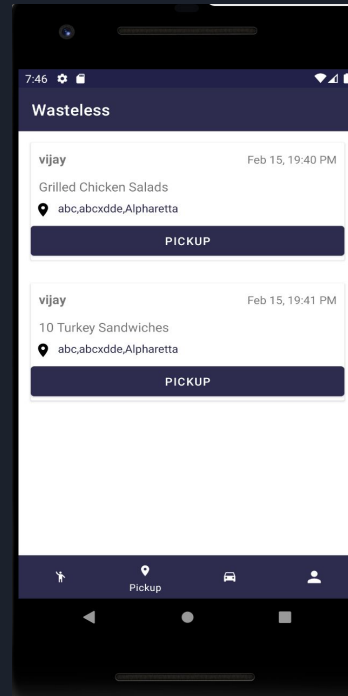

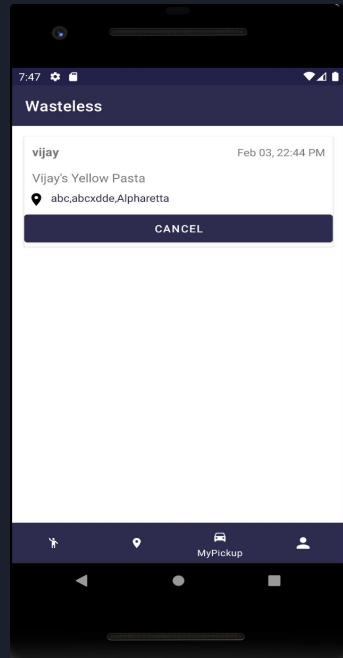

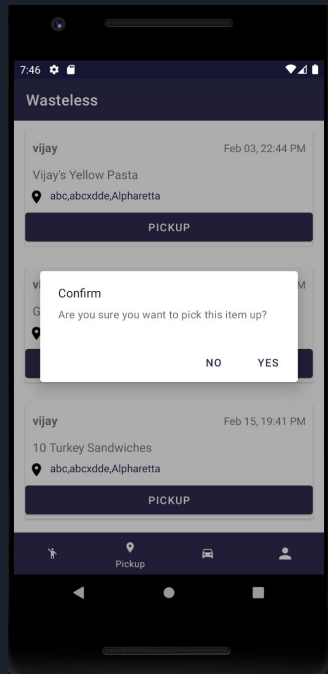

Their phone number is 98842.

Please use this information to communicate with them about the donation.

Thanks,
Wasteless Team

Volunteer Perspective:

When you click the pickup button on a donation, the app prompts a confirmation message like the screenshot on the left. After you click “yes”, the donation will appear on the “myPickup” tab of the application, which is personalized to your account. You will also receive an email with the donor’s information with which you can use to contact them about picking up the donation. Similarly, the donor will receive an email with your information.

Wasteless- The Donation You Chose to Pickup: Vijay's Yellow Pasta

To: Siddharth Vijay

Hello,

Thank you for signing up to pick up a donation from the Wasteless App!

The donor's name is vijay.

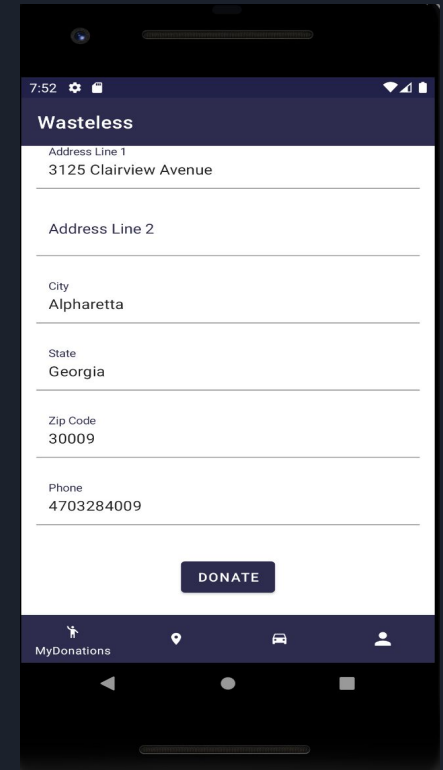

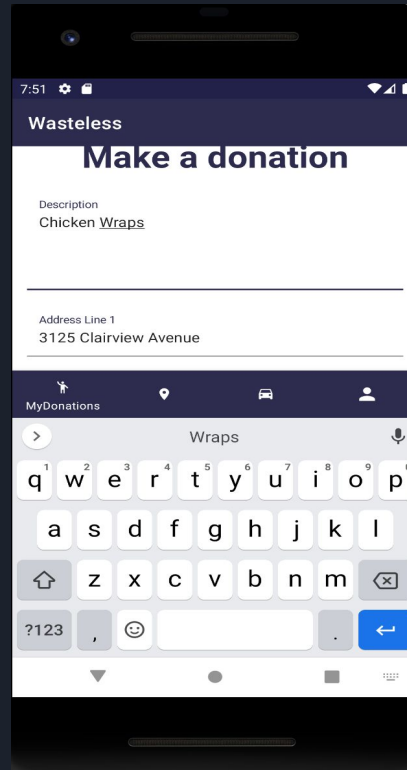

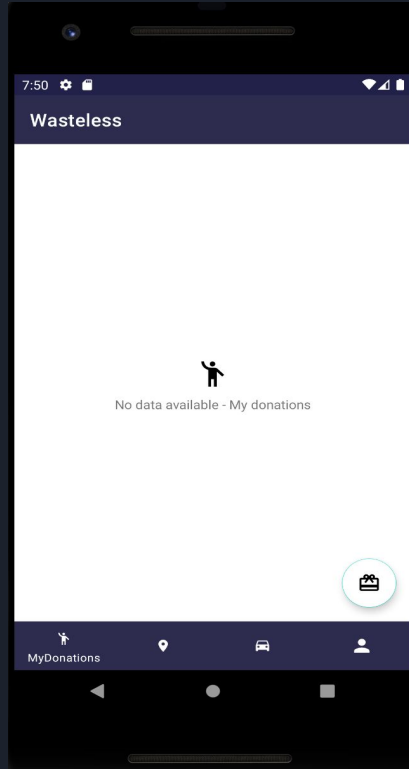

Their email is vijayayaram@gmail.com.

Their phone number is 98842.

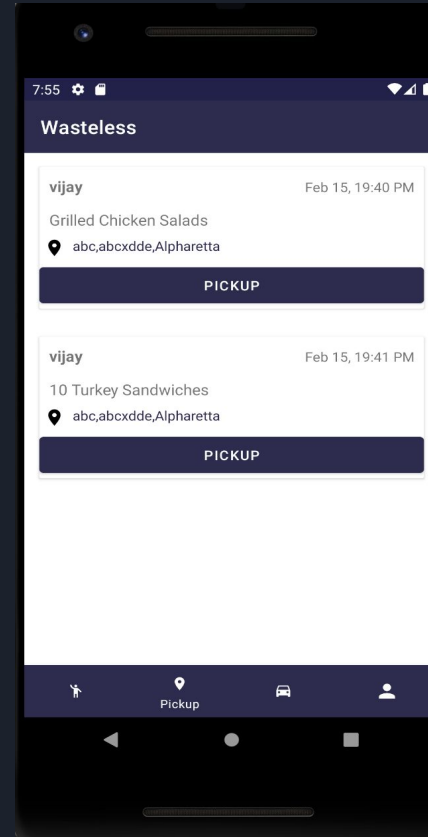

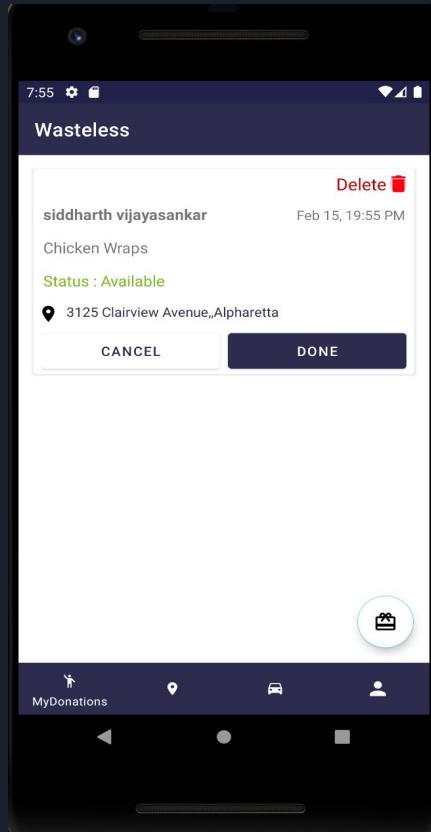

Please use this information to communicate with them about the donation.

Thanks,
Wasteless Team

If you wish to make a donation, you can go to the “myDonations” tab on the bottom of the screen. There, you can click on the donate icon on the bottom right to provide some information about the donation. Most of the info is prefilled from when you signed into the app, but you will need to add a description of your donation. If you want, you can change the information that was previously filled in. Once you do this, you can click to the donate button and your donation will now be added to the donation list where others can choose to pick up.

After you make a donation, you will see that your donation will appear in the “myDonation” list. The donation will be visible for other users to pick up as well.

You can also go to the “About Me” tab by using the tabs on the bottom. Here, you can change your personal information and make updates to your profile. Here, you can log out of your account once you are done using the application.

This screenshot shows the 'About me' profile page in the Wasteless app. The page has a dark blue header with the time '7:57' and the app name 'Wasteless'. Below the header, the title 'About me' is centered. The profile information is organized into sections: Name (Siddharth Vijayasankar), Address Line 1 (3125 Clairview Avenue), Address Line 2, City (Alpharetta), State (Georgia), and Zip Code (30009). At the bottom, there is a navigation bar with icons for Home, Location, Vehicle, and About Me, with 'About Me' being the active tab.

UPDATE

LOGOUT

Home Location Location Vehicle About Me

This screenshot shows the 'About me' profile page in the Wasteless app, with the 'UPDATE' and 'LOGOUT' buttons visible. The page layout is identical to the previous screenshot, but the 'Phone' field is now populated with '4703284009'. The 'UPDATE' and 'LOGOUT' buttons are located below the form fields. The navigation bar at the bottom remains the same, with 'About Me' as the active tab.

If you forget your password when logging into your account, you can click on the “forgot password” button where you will be asked to give your email as shown by the screenshot on the left. Once you give the email with which you signed up with, you will receive an email to that account with your account’s password.
